

EQRS Vaccination Reporting

Influenza and Pneumococcal

Step 1: Log into EQRS: <https://eqrs.cms.gov/>

EQRS Sign up

End Stage Renal Disease Quality Reporting System

The End Stage Renal Disease Quality Reporting System (EQRS) program aims to improve healthcare outcomes for ESRD Patients by providing Dialysis Providers with a National Patient Registry & Quality Improvement Tool that utilizes current best practices to ensure the quality of care for Patients by supporting meaningful measures, reducing burden, while maintaining data accessibility & accuracy for public reporting of quality information in accordance with policy.

Step 4: Search for your facility.

Step 5: Select the **Collection Type** (Hemodialysis).

Step 6: Select the open **Clinical Month**.

Step 7: Click **Search Patients**.

Step 8: Select **Patient** from the drop-down menu.

The screenshot shows the EQRS 'Manage Patient Clinical Values' interface. The top navigation bar includes 'EQRS', 'Dashboard', 'Facilities', 'Patients', and a 'Change organization' button. The main heading is 'Manage Patient Clinical Values' with a 'Help' link. The 'Patient Search' section contains a search bar with the text 'CCN' and a magnifying glass icon. Below the search bar are four dropdown menus: 'Collection Type' (set to 'Hemodialysis'), 'Clinical Month' (set to 'July 2022 (Open)'), 'Last Name Group', and 'Patient Clinical Status'. At the bottom, there is a 'Search Patients' button and a 'Select Patient' dropdown menu.

Step 9: Scroll down to the **Vaccination** section.

Step 10: For patients that received the **Influenza** vaccination:

1. Select **Yes** in the **Administration of Influenza Vaccination Documented** drop-down menu.
2. Enter the **Influenza Vaccination Date**.
3. Select **Where Influenza Vaccination Received** from the drop-down menu.

The screenshot shows the 'Vaccination' section of the form. It contains three dropdown menus: 'Administration of Influenza Vaccination Documented', 'Influenza Vaccination Date' (with separate fields for 'Month' and 'Year'), and 'Where Influenza Vaccination Received'.

Step 11: Click **Submit**.

Step 12: For patients that did **NOT** receive an **Influenza** vaccination:

1. Select **No** in the **Administration of Influenza Vaccination Documented** drop-down menu.
2. Select **Reason No Administration of Influenza Vaccination Documented** from the checklist provided.

Step 13: Click **Submit**.
